DROWNED TRYING TO SAVE LIFE OF YOUNG GIRL

Two Members of Whitehall Party Perish in Lake

BRAVE RESCUE ATTEMPT FAILED

Young Man Who Brought Bodies to Surface Narrowly Escaped Similar Fate.

Rutland, Aug. 14.—Georgia Neddo, 19, and Katharine Hays, 12, were drowned at Lake Boomoseen yesterday afternoon and Percy Strobel, son of Dr. C. W. Strobel of New York and formerly of Rutland, narrowly escaped a similar fate when he went to the aid of the victims of the tragedy. Another girl, Bessie Russell, 16, was able to reach shore with the assistance of other members of a bathing party.

The girls were members of a party of 10 from Whitehall, who had just begun a vacation at the Bloomer place, and little Kathleen had only been in camp for little over an hour when she went in wading, according to the somewhat incoherent reports given of the accident.

The shore is shelving, the bottom being mostly slate slabs, and it is supposed that the child, having waded out as far as she dared, started to return to shore and slipped on the slimy surface of the stones, getting at once beyond her depth.

Miss Neddo, who was cooking dinner for the party, heard the child's screams for help and rushed to her assistance. She too, is supposed to have been deceived by the character of the bottom, as she was a fair swimmer.

Thirty-Seventh Annual Field Day at Hunt's Upper Grove.

The Father Matthew Temperance and Benevolent association will hold its 37th annual picnic and field day at Hunt's upper grove on Monday, August 16.

There will be dancing on the grounds and the committee has provided a program of sports and entertainments. Probably the most interesting feature locally will be the six round sparring exhibition between Kid Foster of this village and Young Hingworth of New Haven, Conn. There will also be a tug of war, foot races and a bicycle race. The program at the grove will open at 1:30 with a concert by the orchestra. The society will also hold a dance in the evening at Foresters' hall.

SOUTH SHAFTSBURY

Methodist Church Fair Receiving Good Patronage.

The fair at the Methodist church opened Tuesday afternoon. Every booth was in readiness and prepared for business. Large numbers of people from this place and neighboring towns attended and the response to the call for exhibits was very gratifying so that all departments were full. The various booths were attractively arranged and prettily trimmed. The Colgate booth was attended by Misses Gertrude Bates and Florence Whitman; the Japanese booth was attended by Miss Stella Bates in Japanese costume; the fancy work department with Miss Rena Somers at the helm was very attractive.

Mrs. Edgar Perkins presided over the interesting section of antiques where on could easily imagine himself transported to several generations ago. There were many articles displayed, ancient linens, relics from the time of the Bennington battle, a sword, army muskets, earthen bottles, a wooden water receptacle, pestle and mortar, ancient chair, spinning wheel, lanterns, etc.

The toy booth was conducted by Miss Marjorie Randall and her assistants; Miss Katie Hulet presided over the home made candy booth and Misses Mable Montgomery and Bessie Kent over the lemonade booth. The Japanese laundry was in charge of Thurston and Hopken Hulet, William Sherwin, and Winkfield Bentley in Japanese costume. Ice cream and cake were served during the evening. The North Bennington band was present and added much to the pleasantness of the evening. On Wednesday evening the musical entertainment was very good especially the selections that were rendered by Miss Naomi Stockwell. Two very interesting recitations were given by Miss Marietta Howard. The proceeds are \$110 dollars. The Ladies Aid society are well pleased with their success.

Miss Frances Kilhon daughter of Mr. and Mrs. M. F. Kilhon has accepted a position in the 7th and 8th grades of the North Bennington Graded school for the coming year. Miss Kilhon is one of the most popular young ladies in town and a girl who is deserving of the position which she has attained.

Your Brain Must Have Pure Blood.

No more important physiological discovery has ever been made than that the brain requires a due supply of pure blood. It is estimated that this organ receives as much as one-tenth of all the blood that is sent from the heart—a great deal more than any other organ of the body. If the vitality of the blood is impaired, the blood then affords the brain an imperfect stimulus and there is mental and physical languor, sluggishness or inactivity.

Pure blood is blood that is free from humors, it is healthy blood, and the term pure blood as it is generally used means blood that is not only rich in quality but also in quantity. Hood's Sarsaparilla makes pure, rich, red blood. This is one of the great truths about this great medicine.

RUMORED RUSSIA AND GERMANY PLOT PEACE

Denials By Officials Fail to Check Reports

SLAV RULE OF BOSPHORUS

Alleged Secret Negotiations Contemplate Giving Constantinople to Russia

London, Aug. 13.—The rumor that Germany and Russia are holding secret peace negotiations will not down in spite of the denials from Petrograd and the poisoning of the idea by the British officials. It is said that Germany and Austria have agreed that Russia's life-time dream of possessing Constantinople as her southern capital with control during times of peace of the Bosphorus and the Dardanelles shall come true. It is also said that the Teutonic diplomats have thus far succeeded in holding the Balkans neutral and that if Serbia can be kept from conceding Macedonia to Bulgaria there will be no danger of the Balkan states joining the conflict.

PLAYGROUND PAVILION

Dedication Exercises to Be Held Next Tuesday

The completion of the playground pavilion and shelter house which has been so anxiously awaited by everyone connected with the Bennington playground, will be realized next Tuesday. This very necessary building has been made possible through the untiring efforts of the president of the Civic League, Mrs. Warwick S. Carpenter; the committee who had the plans in charge, Mrs. H. M. Ritchie, Mrs. William E. Burke, Mrs. R. E. Healey, Miss Hilda Pratt, Miss Bridge McGuire and the co-operation of a great many interested friends and public-spirited citizens who have contributed to its support. The playground children themselves have been active in a button campaign to help raise the fund as it was the hope of the committee to be able to announce at this dedication that the pavilion stood without debt. However, at this time there still remains \$75 minus the amount necessary.

The dedication exercises will take place at three o'clock on Tuesday afternoon. It seemed particularly fitting, in view of the fact that this event came so near the celebration of the Battle of Bennington, to make the program of a patriotic nature.

Flag raising—by playground children and visitors.

Dedication address—Mrs. Warwick Carpenter, president civic league.

Response—on behalf of playground children, Miss Mathilde Voessler, supervisor.

Flag drill and folk dances, recapping the flag.

Members of Tahonace and Walloomsac camp fire groups: Barbara Robinson, Alice Brown, Veronica Baker, Harriet Walbridge, Florence Godfrey, Eleanor Hutton, Ruth Rockwood, May Gaudette, Mildred Brown, Elizabeth Cronin, Katherine Morrissey, Marion Williams, Edith Hurley, Katherine Fields, Jennie Levin, Katherine Falley, Margaret Pilling.

Dialogue—Declaration of playground independence. Alice Morrissey, Katherine Morrissey, Ruth Rockwood, Margaret Rockwood, Helen Brown, May Gaudette.

After the program a flag party will be held for the children with games and stories. Candy will be given away to all children present. The playground Juniors will play the All Stars of the Recreation league.

The public is invited to attend the dedication and afterward inspect the building and witness the playground activities.

The church people of Saxtons River are aroused over the decision of the Bellows Falls Twin State baseball team to play Sunday games at Barber
